Dear Scholars,

I thought this would be a good time to touch base with you regarding the Gateway Scholars program.

**Progress to date:**
Mentors have been reporting that for the most part sessions are going well. Students are turning up and articulating their learning goals well.

**Clarification over Gateway Scholars students’ Bursary:**

Each of the students registered for the Gateway Scholars Program will be allocated a small bursary to use on educational related activities. The intent of the bursary is for it to be used completely by the end of the program.

Activities could include things such as:
- Assistance with transport costs to educational seminars or workshops
- Assistance with schooling costs
- Educational excursions
- Specialised workshop fees (e.g. Art and Design Portfolio Workshops)
- Subsidise exam fees (e.g. UMAT)

The bursary amount for 2012 is **$200.00** per student (total). The school will retain the funds and students will need to see Lyn Bartley in the bursar’s office when they wish to use these for any of the above purposes. Use the form below when making a request for funds.
