Gleneagles Enrolment Protocols

We encourage all families to consider their nearest Secondary College.

Gleneagles has an accommodation constraint that means we are not able to accept all prospective enrolments within our available facilities.

This has led to the following protocol being implemented for enrolments.

**Enrolment Guaranteed**

Gleneagles will enrol students whose residential address has one of the following postcodes:

3802  Endeavour Hills  
3803  Hallam  
3804  Narre Warren Nth  
3156  Lysterfield

*NB: proof of residency may be required (e.g. a utilities bill, rental agreement, rates notice)*

Students with a sibling at Gleneagles will be enrolled

The Select Entry Accelerated Learning (SEAL) program is provided to meet the learning needs of students’ of high academic ability from our local community. Students can be accepted into the SEAL program on merit, regardless of their residential address, under the applicable DEECD policy.

**Enrolment not guaranteed and is subject to available places in the school program**

The College may accept students from the following postcodes:

3805  if north of the Princes Highway  
3806  if north of the Princes Highway

Within these two postcodes, priority will be given to students:

- with long term established enrolments at our main feeder primary schools (Chalcot Lodge, James Cook, Southern Cross, Thomas Mitchell, Mossgiel Park, Narre Warren North and Hallam Primary schools) for year 7.  
- living closest to the College

**Enrolment restricted**

We will not enrol students from the following postcodes or from suburbs not referred to in this document:

3177  Doveton/Eumemmerring  
3175  Dandenong & Dandenong South  
3975  Lynbrook  
3976  Hampton Park

Note that these postcodes are south of Princes Hwy and/or west of the Monash Freeway / South Gippsland Highway.

**Principal Discretion**

The Principal of a student’s current school may request that the Gleneagles College Principal accept a student’s enrolment application where exceptional circumstances exist.
