COLLEGE PRINCIPAL’S REPORT

REPORT WRITING DAY, FRIDAY 13TH JUNE 2014

A student free day has been scheduled for Friday 13th June. Gleneagles staff will use this day for correction and reporting. There will be no students attending on this day.

CBD EXPERIENCE

I had the opportunity to attend one day of the Year 9 CBD Experience last week and was so impressed with the maturity of our students. The students took responsibility for moving around the city and attending a wide variety of venues. They did so in good humour and with enthusiasm. I was proud of their presentation, good manners and engagement in the activities. In total we had around 260 students in the city each day and with very, very few exceptions all were fine ambassadors for the College.

YEAR 10, 11 & GAT EXAMS

Year 10 & 11 students completed their mid year exams on Friday 6th June. All Unit 3 & 4 students will be sitting the GAT (General Achievement Test) on Wednesday, 11th June.

REPORTS

Reports will be posted home at the end of Term 2. If you have recently changed address or phone number, it is important to advise the College. A change of contact details form is on Page 4 of this Newsletter.

FRIENDSHIP FASHION PARADE, MONDAY 16TH JUNE, 7.00PM

The Year 9 Student Leadership team have organised the Friendship Fashion Parade for Monday, 16th June, 7.00pm – 9.30pm. The event aims to raise money for students at our friendship school in East Timor. Tickets cost $10.00 each and includes a light supper, raffles, silent auction, lucky door and seat prizes. To avoid disappointment purchase your tickets now from the College Bursar. Tickets will also be available to purchase on the night. The fashion covers all age groups and feature a variety of local retailers. Further details are on the College website.
SCIENCE PORTABLE
Late last year the College was notified by DEECD that we would be getting a new science relocatable classroom. These rooms are built for purpose as a science laboratory and include a number of innovations that will also provide teaching opportunities for the science classes that are using this space, these include:

- Low-energy lighting that automatically adjusts to light levels within the room.
- Double-glazed windows.
- Insulation in the ceiling, walls and floor.
- Ceiling fans with a summer and winter setting.
- Smart solar-powered units that take air from the roof space and divert it outside in summer to prevent heat build-up, and into the room in winter to supplement heating.
- A computer controlled ventilation system that monitors air quality and temperature and brings outdoor air into the room as needed according to various day and night conditions, and
- A building control system that turns off lighting and ceiling fans when the room is unoccupied, and regulates the use of the heating and cooling system.

BUS SAFETY TIPS
Students are also reminded that they need to take care when crossing roads to catch a bus or after alighting from the bus.

- **Always** look for the safest place you can find to cross a road. Traffic lights or pedestrian crossings are the safest places to cross.
- **Never** try to cross a road from between parked cars, drivers can’t see you and you can’t see the driver.
- **Always** stand on the footpath, away from the road while you are waiting for the bus to arrive.
- **Always** wait until the bus has fully stopped before walking towards the bus.
- **Always** wait until the bus has left before crossing the road, unless at a pedestrian crossing.

IMMUNISATIONS, YEARS 7, 9 & 10 STUDENTS
On Wednesday 11th June, all Year 7 students will receive the second round of HPV and the Chicken Pox vaccine, Year 9 boys will receive the second round of HPV and all Year 10 students will receive Adolescent Diphtheria, Tetanus and Whooping Cough. Again, thank you to those families who have done their best to return the immunisation forms as requested.

ROCK REVOLUTION!
SCHOOL PRODUCTION UPDATE
The cast of ‘Rock Revolution’ are busily rehearsing for our performances in September. We have been rehearsing every Thursday after school, in addition the cast and teachers came to school last Saturday to learn our ‘Jailhouse Rock’ dance number. Rehearsals are going great and everyone is working extremely hard on their scenes, dances and songs. A reminder that we have our Production Camp coming up on 20th and 21st June at Mt Morton Camp. It will be a fun and busy camp full of rehearsals, team building activities and enjoyable production experiences.

YEAR 9 STUDENTS CBD EXPERIENCE
The Year 9 CBD Experience, held from Monday 26th to Friday 30th May provided us with a great insight and understanding into Melbourne’s city. We participated in numerous activities and explored some interesting sights. We visited Eureka Skydeck which gave us an incredible view of the city, the bay and surrounding suburbs. We also went to the Shrine of Remembrance which taught us about the importance of acknowledging and remembering Australia’s fallen soldiers. We visited the State Library, Parliament House, Digital Learning Hub, Tennis Centre and much more. We also had the opportunity to break up into electives, which were chosen based on what we are interested in doing for our future careers, which included visits to the Police Museum, William Angliss Institute and Arts Centre. Overall it was an educational and fun week, one we will never forget.

CROSS COUNTRY CHAMPIONSHIP
On Thursday 29th May, 59 Gleneagles students competed in Berwick in the District Cross Country Championships. There were many excellent performances on the day with several students winning medals. Each student who participated represented Gleneagles with outstanding sportsmanship, enthusiasm and behaviour. Congratulations to all students who finished in the top 10 of their age group in such a strong field of runners. These students will go through to compete in the Southern Metropolitan Cross Country Championships on 16th June. Congratulations to the students involved and thank you to Miss Evans and Mr Neal for assisting with marshalling duties. The medal winners are as follows:
