COLLEGE PRINCIPAL'S REPORT

WHOLE SCHOOL ASSEMBLY, HIGH ACHIEVERS RECOGNITION

THURSDAY 11TH AUGUST 2016, PERIOD 1

On Thursday, 11th August 2016 at a general assembly, we recognised the achievements of students who performed above their Year level or have shown significant improvement in their studies (list of awarded students on pages 3 and 4 of this Newsletter). Student results were based on Semester 1 Reports. Parents of these students were invited to the presentation of certificates and to share in a special Morning Tea as part of this celebration. Congratulations to all students who have worked consistently throughout the Semester to achieve such excellent results. It is not possible to recognise every student who achieved good results in Semester 1 at this assembly. I'm sure many parents will be justifiably proud of their child's achievement. It may be achieving good results or making a great overall improvement. I'm sure this will also be celebrated.

CHESS CLUB

Chess Club started at the end of last Term and has been a monumental success! Every week we have run out of chess boards in the library due to the number of students participating and competing against each other. Captained by chess championship winners, Nicholas Ilic and Tome Correia in 7E, Chess Club welcomes all students whether they are beginners or chess masters!
