**INTERIM REPORTS**

Parents should have received the Interim Report for Year 7 to 10 students or the Mentor report for Year 11 and 12 that were posted recently to students’ home addresses. These reports have been sent to all for preparation for the Parent Teacher Interviews on Wednesday, 10th September, 2014. Students in Years 7, 8, 9 also received details regarding the 2014 End of Year Activities Program.

**PARENT TEACHER INTERVIEW BOOKINGS**

The Parent Teacher Interviews are quickly approaching and will be held on Wednesday 10th September, 1.00pm-8.00pm. We are continuing to use an electronic booking system which will allow parents/guardians to directly book interviews using the internet. The online booking system was activated on Wednesday 3rd September at 12 noon, you need to click on the “Parent Teacher Interviews” heading in the Quick Links section on the left side of the screen on the Glenelg website. You will then be taken to the booking system.

Please refer to the information sheet included with your child’s interim or Mentor report for more detailed instructions on how to access the booking system as well as your login details. Should you not have access to the internet, please give your instructions to your child and they can use one of the school computers to implement your booking requests and print off a hard copy for you to bring on the afternoon/evening. A reminder to parents/guardians that there are no classes on Wednesday, 10th September 2014.

**NAPLAN REPORTS**

NAPLAN reports for Year 7 and 9 students arrived at the College this week. Parents can collect their child’s NAPLAN report during Parent Teacher interviews on Wednesday, 10th September 2014.

**IT’S ADULT LEARNERS WEEK - PARENTS CAN BE AMAZING LEARNERS, TOO!**

Are you interested in furthering your education? Would you like to learn something close to home that fits in with your family commitments? If so, then you will join 110,000 other Victorians every year who are taking a course at one of 300 Learn Local organisations right across the State. There are courses and programs that can help you change careers, gain a qualification, improve your IT, maths and literacy skills or just learn something fun and new. A mum-of-three from Kaniva in the Wimmera recently won $5000 as Outstanding Learner of the Year at the Victorian Learn Local Awards. Lisa Stimson attends LINK Neighbourhood House in Kaniva and takes a Women in Ag course to help run her family farm. To find a Learn Local near our school access the following link: www.learnlocal.org.au

**TRAFFIC MANAGEMENT**

Parents are requested to be mindful of student safety before and after school in relation to traffic. Do not let your child leave the vehicle until the car is parked safely in the kerb. Frequently students are leaving vehicles whilst the car is on the road or at the roundabout which is very dangerous.

- Please obey all traffic and parking signs outside the school.
- Discuss with your child the need to use the School Crossings at all times.
- Please do not double park in the streets outside the College when dropping off or picking up your child.
- Do not park over the School Crossing lines, or over the drive ways of the local residents.
- U Turns in Reema Boulevard and Hanna Drive must be avoided at busy times.

The college has requested for parking inspectors to patrol the school zones. Traffic police will issue fines for non-compliance of road rules including not obeying parking conditions. Your co-operation in these areas will be greatly appreciated.

YEAR 9 & 10 STUDENTS – STUDENTS LATE TO SCHOOL
In order to support your child's academic progress, the Year 9 and 10 Sub-School will be implementing the following as of Monday, 8th September 2014. Students who are late on one or more occasions without parent explanation in the form of a note or phone call throughout a given week will be subject to an after school detention to be held on the Friday afternoon of that week. This detention will be supervised by the Team Leaders within the sub school until the end of the school year.

We ask for your continued support in reminding your child of their obligation to arrive on time, all of the time. If there are any queries in relation to this, please contact your relevant Team Leader at the College on Tel 9708 1319

VCE ART SHOW, TUESDAY, 14TH OCTOBER 2014
This year Gleneagles Visual Arts department has been fortunate enough to build a positive educational partnership with Monash University Museum of Arts (MUMA). As such this year the Year 12 VCE Studio Arts and Visual Communication students will be holding a one night only pop-up exhibition at MUMA, Monash University, Caulfield East campus on Tuesday, 14th October 2014. The students have been hard at work all year and have put in a massive effort which has been accompanied by blood, sweat and tears, but above all else an overwhelming sense of pride at this amazing opportunity. Tickets are available via the link listed below and on the College website. Be quick as there are limited spaces! A one night only event which is surely not to be missed. NEIL HALL-OAKLEY
08/03/1998 TO 06/09/2012

Saturday 6th September marks a sad day for the Gleneagles community. Two years ago we lost a boy who gave his all to the Gleneagles Secondary College program. Neil Hall-Oakley was an energetic and enthusiastic student that loved his Carlton Footy team. He was always involved in the College extra-curricula programs being a member of the SAC Committee, regularly attending Homework and Breakfast Club Programs and helping out at fundraising efforts like the ‘5 cent drive’ (pictured).

The second anniversary of his passing provides students an opportunity to reflect on your contribution to your school. The programs we offer are aimed at all different types of students and cater for a diverse range of interests. Using Neil as your inspiration, try to involve yourself in as many programs as you can. May we never forget Neil’s bubbly and energetic personality!
