COLLEGE PRINCIPAL'S REPORT

PARENT TEACHER NIGHT BOOKINGS

Parent teacher evening is quickly approaching and will be held on **Wednesday 19th September, 3.00pm – 8.00 pm**. All bookings must be made over the internet using the school website, the same as it was earlier in the year. All you will need is an internet connected computer. If you do not have access to one of these, your child will be able to make bookings on your behalf using the computers at school. When you receive your child's interim report in the mail this week, enclosed with it will be your access details for the Parent-Teacher Online booking program as well as an explanatory letter. Please take the time to read the letter as it contains vital information regarding when bookings will commence. The system will open for parents to access from midday on Tuesday 11th September. Should you have any difficulties please contact the school.

PARENT TEACHER NIGHT – EARLY DISMISSAL

All students will be dismissed at 2:30pm due to Parent Teacher Interviews. The bus companies have been notified of this alteration to arrangements.

FACEBOOK AND MOBILE TELEPHONE USAGE

The College regularly receives complaints from both students and parents regarding the inappropriate use of Facebook and mobile telephones (both texting and images). It must be stressed that the images and contents of messages contained within these mediums may be viewed as defamatory and libelous from a civil law viewpoint. Additionally, such images and contents of messages may attract law enforcement attention if unauthorised images of a person are used or comments made about a person which are untrue or of a threatening or bullying nature. There are many dangers inherent to students in the uncontrolled and inappropriate use of the internet and text and image transmission via mobile telephones. Parents have a responsibility to ensure the behaviour of their children in these mediums is closely monitored.

CATCHING THE BUS

Students who travel to and from school via buses are reminded that they should be at the bus stop well before the scheduled time to ensure they do not miss the bus. It is important to keep in mind that on any given day there are many traffic variations which would mean a bus arriving earlier than the expected time.

TRAFFIC MANAGEMENT

We have noticed cars double parking and U-turning in Reema Boulevard near the school crossing. This is potentially dangerous and can be expensive. City of Casey officers do patrol school zones and will book drivers who double park and/or U-turn near the school crossing.

GERMAN POETRY STATE FINALS

On Saturday 25th August Anju Anand of 9D represented Gleneagles SC in the State Finals of the annual German Poetry Competition by reciting two poems in front of an audience and judges.

In preparation for this event, Anju gave up many lunch breaks and spent long hours at home rehearsing the delivery of her poems in order to perfect her pronunciation and expression.

She was joined in her preparations by Lisa Li of 7I, who practised the delivery of selected and compulsory poems as an emergency performer. Both students developed their confidence through this exercise in public speaking and became familiar with some very important works of German literature.

I would like to thank them for their dedication and commitment displayed when preparing for their recitals and for Anju's wonderful interpretation of the poems on the day. Gut gemacht!

Word Education Program – Student Exchange Program

World Education Program (WEP) Australia is now accepting applications from students wishing to participate in 2013 exchange programs for a summer, semester or year. Students and parents can choose from more than 20 countries, including France, Belgium, Italy, Germany and Spain.

Exchange students return to Australia with maturity, confidence, and in many cases, proficiency in another language. If learning another language is not for your child, excellent programs to the USA, Canada, Ireland and the UK are also available.

Upcoming Information Evening:

Date: Tuesday, 11th September 2012
 Time: 7.30pm – 9.00pm

Excursion to Lunch with the Winners

A small group of Year 9 students attended Lunch with the Winners to celebrate success and excellence in the Manufacturing industry in the South East Region. The event was sponsored by the South East Melbourne Manufacturing Alliance (SEMMA) and the South East Business Network. Matt Nettleton from Corex Plastics was awarded Victorian Young Manufacturer of the Year.

Brad Smith set up the company BRAAAP at the age of 18 to manufacture and sell motorcross bikes and gave

a motivational talk about his experiences in business. His motto is "Vision overcomes obstacles". We then heard from Marcus Barber, a Strategic futurist, about 'Potential Jobs of the Future'. Here are the girls and Ms James with Lawrie from Airstep and also with Brad and his BRAAAP bike.
