2015 YEAR 8 CLUB LORNE BEACH CAMP
Monday 4th May, 2015 – Friday 8th May, 2015

Year 8 camp for this year is an Outdoor Education Camp on the beach at Lorne. The aim of the camp is to introduce students to the coastal environment and provide them with challenging activities that require perseverance and teamwork. The camp’s leaders instruct students in a variety of activities based both on land and at the beach, largely focusing on aquatic safety and sustainable recreation within the coastal environment. The camp’s leaders have extensive experience in teaching those who are new to the surf and will assist with each student’s individual needs.

We will be splitting the cohort into two, being the first half of the week and second half. Group one students will travel by bus to the campsite, departing Gleneagles Secondary College at 9.00 a.m. on Monday 4th May, 2015 and returning at 4.00 p.m. on Wednesday 6th May, 2015. Group two students will travel by bus to the campsite, departing Gleneagles Secondary College at 9.00 a.m. on Wednesday 6th May, 2015 and returning at 4.00 p.m. on Friday 8th May, 2015. Details of departure and return times will be confirmed closer to the date.

Accommodation for students attending the camp is in single gender only bunkrooms with all sleeping areas and bathrooms under the one roof. Staff attending the camp will also be accommodated in the bunkrooms. Full catering is provided and any special dietary requirements can be met by completion of the Camp Food Requirements Form, which will be included in a package given to students in the last week of term one, along with medical forms etc.

The proposed program of activities for the 3 days includes surfing, trekking, beach games, team building activities, karaoke, table tennis, billiards, beach volleyball, cricket, soccer and a mini surf carnival of beach running and relays. Free recreation time is also provided with the use of indoor sports/games equipment, TV, and a DVD player.
