

# Your new laptop: What you need to know before you leave

## 2016 Year 7 students

Students will need to log in with a temporary username and password on their new laptop until the start of the school year in 2016. They will receive their permanent school login in the first week of school.

**Username:** student

**Password:** password

### Please note:

The temporary username and password will be deactivated the first school day of Term 1 2016. So all files/ documents/ music etc that was put onto the computer, must be backed up by you as it will no longer be accessible once the school term starts.

## All students currently at Gleneagles SC

Please use your existing username and password to log onto your new laptop before leaving today.

This will enable you to use your new laptop over the holidays and in 2016 at Gleneagles SC.

### Parents picking up laptops without their child

If your child is already a current student at Gleneagles SC and they are not with you, please follow the instructions under the year 7 section.
