RE: YEAR 7, 2017 SEAL ORIENTATION DAY, 9.00AM WEDNESDAY, 30TH NOVEMBER 2016

I am writing to advise of the Year 7, 2017 SEAL Orientation Day, which will be held at Gleneagles Secondary College on Wednesday, 30th November 2016, 9.00am until 2.45pm. This event will be held in ‘The Shed’ at the top of our car park. Parents are invited to stay for a brief introduction and address by a Principal.

This day will give all students in the SEAL Program an opportunity to meet with teachers, connect with their peers and engage in some fun problem solving and team based activities.

Students will need to wear casual clothes and runners, suitable for a variety of activities including some sporting activities.

Students will need to bring lunch and some snacks for throughout the day. Some light refreshments such as biscuits and cordial will be provided.

This SEAL Orientation Day will be followed by a general Orientation Day for all Year 6, 2016 students coming to Gleneagles on Tuesday, 6th December 2016. Your child will be required to attend both Orientation Days. A pack has been sent to you with all the relevant information and booklists. There will also be an Information Night for Year 7, 2017 parents on Monday, 28th November 2016, at 7.00pm which was also included in the pack.

Please confirm your child’s attendance to the SEAL Orientation Day by contacting Merryn Molloy at the College, Tel 9708 1319 or email molloy.merryn.c@edumail.com.au by 9.00am on Friday 25th November 2016.

Please contact me if you have any queries.

I look forward to seeing you and your child on the day.

Kindest regards,

Kathie Toth
Assistant Principal

Julie Mullins
SEAL Co-ordinator
