Welcome to the Gleneagles Community

We are keen to build community among our parents and staff, fostering a partnership between parents and the school. We greatly value and appreciate parent volunteers in the school program and there are many options to get involved. Building strong connections between school and home is a focus for the PFA as well as the broader school community.

Please take a moment to consider the list below. Lynne Moller our Library Resource Manager and Jen Riley a PFA member are more than happy to answer any of your queries. PH 9708 1319
