

High Achievers Assembly

On Thursday, it was a pleasure to recognise the excellent academic achievements of students in first semester at our College General Assembly. Our student body and staff were pleased to welcome many parents, grandparents, siblings and other family members to this special event. The College Student Leaders were wonderful when introducing the various items and it was a pleasure to listen to the choir sing the National Anthem and a song. As you can see from the list below, we celebrated the achievements of a large number of students. It's always a logistical challenge for such a large school to run these events but it is certainly worth the effort as we got to see so many students having that wonderful feeling of a job well done. The assembly was followed by a special morning tea for the student award recipients and the family members who could stay. It's always a joyful gathering.

I hope this event inspires the award winners to continue to strive so as to ensure they are recognised again at the end of the year and for those students not called to the stage this time to discuss with their teachers what they can do to be on stage next time!

Year 7 Award Recipients

EXCELLENCE IN 4 SUBJECTS			EXCELLENCE IN 5 SUBJECTS		
AMEERI	Fatima	07J	AKIN	Dante	07H
BAHLMANN	Erin	07A	EVERARD	Aaron	07E

Plain English Speaking Excursion

On Monday the 14th of August seven students attended the national final of the Plain English Speaking Award at the National Gallery of Victoria. Throughout the day young representatives from each Australian state and territory spoke about current issues that they were passionate about ranging from Australia's disregarded rural identity to the importance of adaptability in our modern world. The participants also displayed great skill and eloquence in their impromptu speeches, where they were only given 4 minutes to prepare a speech on the topic 'ignorance is bliss'. The finalists all showed great sophistication and skill in the delivery and content of their speeches, as well as the ability to think critically and empathetically about the world around them. Students from Gleneagles were astounded by the high standard of speeches on the day, and were inspired to work even harder in their own public speaking endeavours. The winner of the competition, Emily Kim from New South Wales, will now move on to represent Australia in the international speaking competition held in London.

Parent Opinion Survey

On Monday the 6th of August, I emailed over four hundred randomly selected parents and asked them to participate in the annual DET Parent Opinion Survey. At the time of writing this article only 16% of parents had completed it. If you received the invitation and haven't yet had a chance to complete it there is good news – it doesn't close until Sunday August 27th. We would love as many parents as possible to provide their valuable feedback. Today an email reminder has been sent to all parents who were originally randomly selected.
