## Portal 22-23

### [Accessories Portal](#)

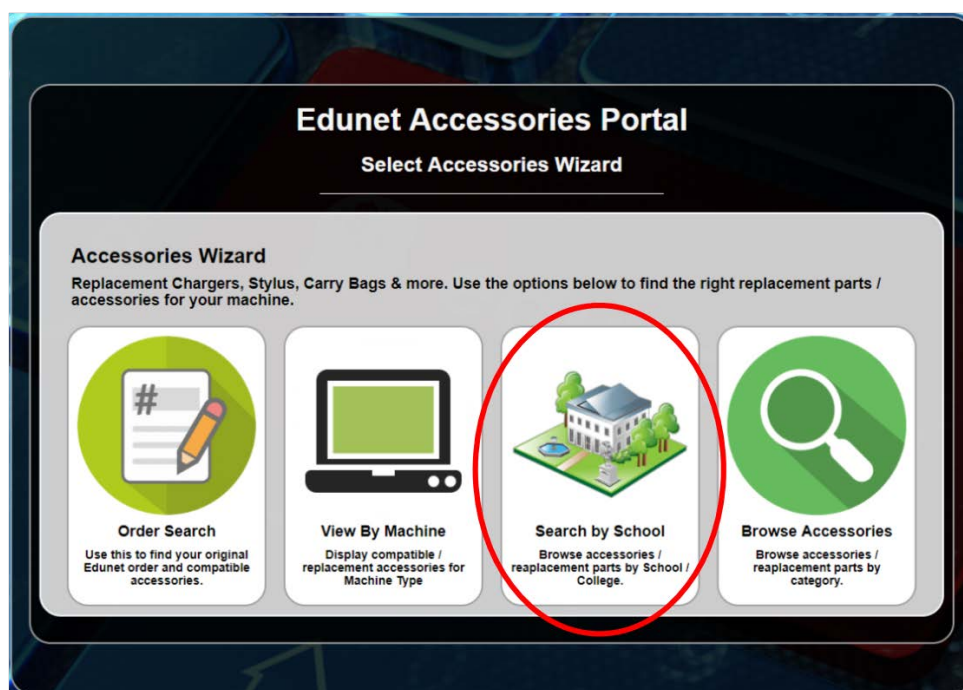

Throughout the year students can unfortunately “misplace” their power supplies or stylus pens. Because of this, Edunet has developed an online accessories portal for parents to purchase and replace anything they’ve lost throughout the year.

Edunet will deliver the parents order to the school’s front office and an automated message will be sent to the parent advising them to collect their order at the school.

The Accessories Portal can be found at the following web address:  
<http://accessories.edunet.com.au/>

Once you click on the Purchase button you will be taken to the Accessories Portal where you can then select Search by School. Click on the search button and type in Gleneagles, our school will come up and you can now click on View Accessories to choose the accessories you need to purchase for your particular device.
