Dear parents and carers

Re: \$400 School Saving Bonus

Families want the absolute best for their kids. But with the current cost of living – uniforms, camps, sports and more – it all adds up.

That's why the Allan Labor Government is making life that little bit easier for families, by providing a one-off \$400 School Saving Bonus.

Every student enrolled in a Victorian government school for the 2025 school year will receive \$400 support.

It will help cover the cost of school uniforms, textbooks, and school activities like camps, excursions and sports.

You don't need to apply.

From November 2024, parents and carers will receive an email from the Department of Education providing details on how they can access the \$400 bonus.

The \$400 School Saving Bonus is available for each child. That means a family with three school-aged children will receive a total of \$1,200.

The School Saving Bonus is available in addition to other financial support including the Affordable School Uniforms program and the Camps, Sports and Excursions Fund.

To learn more about what the \$400 can be spent on, and other support available, visit vic.gov.au/school-saving-bonus.

And from our families to yours – best of luck for the 2025 school year.

Sincerely,

Hon. Jacinta Allan
Premier of Victoria

Information for government school parents and carers

About the School Saving Bonus

The Victorian Government is making life that little bit easier for families by providing a one-off \$400 School Saving Bonus.

This support will help cover the cost of school uniforms, textbooks, and school activities like camps, excursions and sports.

The School Saving Bonus is in addition to existing and continuing means-tested supports for Camps, Sports and Excursions Fund (CSEF) and the Affordable School Uniforms Program.

The School Saving Bonus will be provided to schools and families in Term 4, 2024.

Who receives the School Saving Bonus

The School Saving Bonus is available for parents and carers of all Victorian government school students from Prep to Year 12 in 2025, except for full-fee international students, home schooled students, TAFE students and students attending kindergarten in 2025.

Actions for parents and carers

Parents and carers of children who meet the School Saving Bonus eligibility above are required to do the following by **Friday 18 October 2024**:

- **Complete enrolment**

If your child, or children are changing government school for Term 1 2025, or starting Prep or Year 7 in 2025, please complete enrolment. For more information, read about [Enrolling in School](#).

- **Check your contact information**

Ensure your contact information is up to date with your school. You can check this information by contacting your school directly.

Accessing the \$400 School Saving Bonus

You do not need to apply for the School Saving Bonus.

The Department of Education will email you in November 2024 with your \$400 School Saving Bonus. You will be able to access it via an online system.

You can decide how to best use the School Saving Bonus for your family's needs. You can choose how to allocate the \$400 in the online system.

The bonus can be used towards 2025 school costs, which may include:

- camps, trips, excursions and incursions
- swimming and sporting programs
- outdoor education programs
- graduations
- school uniforms
- textbooks.

The bonus can be used at your school's approved textbook or uniform suppliers either in-store or online, or through State Schools' Relief. The list of suppliers may include a school uniform or bookshop. Any amount that you choose to allocate to textbooks and uniforms will be valid until 30 June 2025. It will then transfer to your child's school account for future activities.

Funds will roll over for use in future years if it is not all spent in 2025.

Families with more than one eligible child

Families who have more than one child at the same school can combine their School Saving Bonus payments to use on one child, or for a specific activity. So, for example, a family with 3 children who are all government school students would receive support to the value of \$1,200 and choose how they spend those funds. The School Saving Bonus cannot be combined across different schools.
